The Contest is Simple:

Earn 1 point for every dollar in sales you generate from Nov. 1st 2009 thru April 31st 2010. That includes Parties, VIP orders, On-line Sales, Catalog Parties...ALL SALES. Consultants must avg. \$500/mo to be eligible for any prize. You can **double your personal points** monthly by simply turning in \$2000 or more in sales. (ex. If you turn in \$2100 in Dec. you get 4200 points for that month)

June 10th we set sail and you can be there thanks to the most unique opportunity we've ever introduced with our:

Contest/Invitation Cruise Contest November 1st 2009—April 30th 2010

We want every consultant to have an opportunity to join us on Board as we sail to the Caribbean. That's why we have set up our Contest/ Invitation Cruise Contest. This offers you 3 ways to be there: 1- You can win the cruise, 2- you can pay for the cruise with our easy payment plan or 3- you can do both by winning a portion of your cruise 25%, 50%, 75% or 100%

Earn 1 point for every dollar in monthly sales made by any new consultant you enroll during the contest .

Points Needed to Win	You Pay
Full Cabin for 2 45,000 pts.	\$0 It's Free!
75 % Cabin for 2 38,250 pts.	\$225
50% Cabin for 2 31,500 pts.	\$450
25% Cabin for 2 20,000 pts.	\$675

Double these points when sales are \$1000 or more in any calendar month. (ex. You enroll Sally, she has \$1500 in sales in Dec. You get 3000 points)

With a payment plan and points like this, everyone can go cruising and get cash back on board. **It's easy to win.** If a consultant enrolled one new member each month of the contest and that new member avg. \$1000 per month in sales, that would be 42,000 points. Add in the consultants personal sales min of \$500 over 6 months and she now has 45,000 points and is cruising for FREE!
